Say "Bayer" and Insist!

Unless you see the name "Bayer" on package or on tablets you are not getting the genuine Bayer product prescribed by physicians over twenty-two years and proved safe by millions for

Colds — Headache  
Toothache — Lumbago  
Earache — Rheumatism  
Neuralgia — Pain, Pain

Accept "Bayer Tablets of Aspirin" only. Each unbroken package contains proper directions. Handy boxes of twelve tablets cost few cents. Drug-gists also sell bottles of 24 and 100. Aspirin is the trade mark of Bayer Manufacture of Monocetaceticacidester of Salicylicacid.—Advertisement.

## Figuring Ahead.

Margaret Ellen had been invited out to Sunday dinner. The meal was being served and the host viewing the platter of chicken decided a "drumstick" would be a suitable piece for the four-year-old miss. Margaret Ellen heroically attacked her portion and in due course of events calmly looked up and said, "Uncle, when I get through with this bone I think I would like some meat."

## FREEDOM FROM LAXATIVES

Discovery by Scientists Has Replaced Them.

Pills and salts give temporary relief from constipation only at the expense of permanent injury, says an eminent medical authority.

Science has found a newer, better way—a means as simple as Nature itself.

In perfect health a natural lubricant keeps the food waste soft and moving. But when constipation exists this natural lubricant is not sufficient. Medical authorities have found that the gentle lubricating action of Nujol most closely resembles that of Nature's own lubricant. As Nujol is not a laxative it cannot gripe. It is in no sense a medicine. And like pure water it is harmless and pleasant.

Nujol is prescribed by physicians; used in leading hospitals. Get a bottle from your druggist today.—Advertisement.

## IMPROVED ROADS

### PAINT HELPS STEEL BRIDGES

Life of Many Structures Shortened by Infrequent and Improper Treatment.

(Prepared by the United States Department of Agriculture.)

The life of many steel highway bridges is materially shortened because of infrequent and improper painting, says the bureau of public roads of the United States Department of Agriculture. Each year a considerable

A Dangerous Bridge—This Rusting Could Have Been Prevented by Painting.

amount of money is spent for the replacement of rusted bridge members that would have remained sound if they had been kept painted; and more serious than the waste of money is the danger to the public due to the weakening of some hidden part which may cause the collapse of the whole bridge.

Officials of the bureau urge that all steel bridges be inspected at least once each year and repainted at the first sign of rusting. Normally repainting is required at periods of from two to five years, depending on the climate. A suitable paint should be used, and if there is uncertainty about any point, information should be requested from the state highway department.

It is a mistake to repaint without properly cleaning the metal of all dirt, rust, loose paint, and blisters. Usually the places hardest to reach are the ones that should receive the most attention.

### PROBLEMS IN ROAD BUILDING

Officials of State Organizations and Bureau of Public Roads Discuss Questions.

(Prepared by the United States Department of Agriculture.)

The committee on tests of the American Society of State Highway Officials met with the officials of the bureau of public roads of the United States Department of Agriculture, in Washington, June 26 and 27, to consider standardization of specifications and tests for road materials. The purpose of this meeting of representatives from all sections of the country was not so much to lay down rigid rules as to harmonize the general practice. Standardization taking into account local conditions is being brought about by a series of meetings between officials from groups of states and engineers of the bureau.

The present activity of highway officials along this line is most encouraging for road building. A few years ago the general tendency was toward individuality in each state, without much opportunity for exchange of ideas and knowledge. Today the tendency is in the other direction, and a better solution should be reached when the problems are discussed at meetings of the best highway engineering talent of the country.

### BOOM IN HIGHWAY BUILDING

Federal Aid Has Been Most Important Factor of Recent Years in Road Construction.

Federal aid has been probably the most important factor in the big boom in highway building of recent years, and there are now many long stretches of trunk-line highway serving rich agricultural and industrial sections of the country which are almost entirely federal-aid construction.

The United States Department of Agriculture, which administers the federal-aid fund, points out that a traveler going from Richmond, Ind., to St. Louis across Indiana and the southern part of Illinois, thence to Chicago by way of Springfield and Peoria, a distance of approximately 679 miles, would travel 505 miles, or 75 per cent of the way, on federal-aid highways, practically all of which should be in service by the end of the present season.

## LESSON FOR OCTOBER 29

### MESSIAH'S MINISTRY (WORLD'S TEMPERANCE SUNDAY)

LESSON TEXT—Isa. 61:1-3.

GOLDEN TEXT—Righteousness exalteth a nation; but sin is a reproach to any people.—Prov. 14:34.

REFERENCE MATERIAL—Matt. 7:28-29; Rom. 14:11.

PRIMARY TOPIC—How Four Boys Became Healthy and Happy.—Dan. 1:2-20.

JUNIOR TOPIC—Destroying the World's Enemy.

INTERMEDIATE AND SENIOR TOPIC—The Next Step in the Prohibition Campaign.

YOUNG PEOPLE AND ADULT TOPIC—Progress of Prohibition Throughout the World.

The lesson committee has gratefully named this lesson "World-wide Prohibition." Neither the text nor the context, directly or implied, says anything about prohibition as we understand the use of the word. However, when Messiah shall reign upon the earth the rum traffic with all other iniquitous practices will be abolished.

I. Messiah's Commission (v. 1). He was appointed by the Lord. God's plan for the world is a time of peace and blessing.

II. Messiah's Program (vv. 1, 2).

Messiah's program is twofold: to "proclaim the acceptable year of the Lord, and the day of vengeance of our God." The careful reading of Luke 4:18-21 will show that Jesus suspended reading of this passage at the comma, in Isaiah 61:2. His first coming opened up the day of "grace and the acceptable year of the Lord," and His second coming will usher in "the day of vengeance of our God." (II Thess. 1:7-10; cf. Mal. 3:1-3).

1. Proclaiming the Acceptable Year of the Lord (vv. 1, 2). In His ministry of grace He preached (1) "good tidings to the meek." "Meek" here means not only a grace, but a condition, that is, those in poverty and affliction. (2) "Bind up the broken-hearted." "Bind up" signifies healing. (3) "Liberty to the captive." The figure of deliverance from the Babylonian captivity is used to describe deliverance from sin and death (Heb. 2:15). (4) "Opening of the prison to them that are bound." Messiah's work was to give deliverance to those who were enslaved by the consequences of their sins. (5) "The acceptable year of the Lord." This means a space of time in which God would accept all who repent of their sins and come to Him.

2. Proclaiming the day of vengeance of God (v. 2). While the day of mercy is lengthened out, the time of judgment will surely come. The day of vengeance will break upon the world when the Lord shall be revealed from heaven (II Thess. 1:7-10). The period of mercy is called "year," while the period of vengeance is called "day," showing that the period of mercy is much longer than the period of wrath.

III. The Blessings of Messiah's Kingdom (vv. 3-4).

1. "Comfort all that mourn" (v. 2). The day of vengeance will bring sorrow to many, but they shall be comforted when they shall see the King on the throne.

2. "Give unto them beauty for ashes" (v. 3). This peculiarly applies to Israel.

3. "Oil of Joy for Mourning" (v. 3). Israel has been mourning for centuries. When the Messiah shall reign as King they shall be glad.

4. "Garment of Praise for the Spirit of Heaviness" (v. 3). Instead of wearing the symbol of the burden of sin they shall be clothed so as to indicate their joyfulness.

5. "Called Trees of Righteousness" (v. 3). These trees represent Israel as planted by God and bearing fruit, not as reeds bowed down with sorrow.

6. "They Shall Build the Old Wastes" (v. 4). Israel shall return to their own land and shall rebuild the city of Jerusalem and the cities of Judah which lie waste.

7. "Strangers Shall Stand and Feed Your Flocks" (v. 5). In the time of the kingdom the Gentiles shall render voluntary service unto Israel so that Israel may devote her whole time to the service of God.

8. "Ye Shall Be Named the Priests of the Lord" (v. 6). God chose Israel to be the priestly nation to represent Him to the Gentiles.

9. "For Your Shame Ye Shall Have Double" (v. 7). Instead of the shame and confusion which Israel has experienced for centuries she shall have double honor and rejoicing.

10. "I Will Direct Their Work, and Make a Covenant With Them" (vv. 8, 9). God will vindicate His people and cause the Gentiles to see the divine favor upon them.

## A Matter of Location.

All followers of Blackstone know that a divorce case requires two witnesses who are property owners. In the proceedings in a recent trial in Indianapolis, one such witness was called to the stand.

"You say you own real estate?" asked the attorney.

"Yes, sir. I own a lot."

"Where is this lot, in Indianapolis?"

"No, sir, in Jamestown, Ind."

"Where in Jamestown?"

"In the town cemetery."
